Order Qty: 99,360 KG	This Shipment: 98,700 KG
-------------------------	-----------------------------

CAUTION! EXPLOSION HAZARD

The buyer is advised that this metal may contain crevices and hidden recesses holding entrapped moisture. To avoid any risk of explosion resulting from the possible accumulation of humidity or water, sows/ingots have to be dried thoroughly before loading into molten metal. Should the user fail to follow this procedure, the seller and the manufacturer shall not be held responsible.
